DECISION ON PETITION  
FOR EXTENSION OF TIME  
UNDER 37 CFR 1.136(b)

This is a decision on the petitions filed July 18, 2003, under the provisions of 37 CFR 1.136(b) requesting an extension of time to file a reply to the Examiner's Answer and to file a request for Oral Hearing. Both requests are for a one month extension of time.

The provisions of 37 CFR 1.136(b) state:

When a response with petition and fee for extension of time cannot be filed pursuant to paragraph (a) of this section, the time for response will be extended only for sufficient cause and for a reasonable time specified. Any request for such extension must be filed on or before the day on which action by the applicant is due, but in no case will the mere filing of the request effect any extension. In no case can any extension carry the date on which response to an Office action is due beyond the maximum time period set by statute or be granted when the provisions of paragraph (a) of this section are available. See § 1.304 for extension of time to appeal to the U.S. Court of Appeals for the Federal Circuit or to commence a civil action, § 1.550(c) for extension of time in reexamination proceedings.

The requests for a one month extension of time comply with the above noted requirements. The requests are for sufficient cause and for a reasonable time specified. Accordingly, the requests are granted and the reply brief and/or request for Oral Hearing is due on or before August 19, 2003.

**SUMMARY: EXTENSION OF TIME GRANTED.**

After mailing this decision, the application will be forwarded to the examiner for appropriate action in due course.
